2602-06 6-Gang Charger

The MAXAIR 6-Gang Charger integrated into the 2782-06 CART provides the convenience and practicality of charging six MAXAIR Batteries simultaneously from one wall outlet. This 6-Gang Charger is also available as the 2602-06 stand alone gang charger that can be mounted on a wall or placed on a countertop to provide the same capabilities of charging any six MAXAIR batteries simultaneously from a single wall outlet.
